From: Ryan Aukerman, Executive Vice President, Griffith Company

Subject: Griffith Company Support Of Tranquility Garden Project

Dear Terry:

Griffith Company is excited to announce that we will partner with Project Fighting Chance to build a Tranquility Garden over the next few months. We recognize that this Garden will support Project Fighting Chance's efforts to address trauma and other mental health issues faced by the youth that it serves. This Griffith Company partnership with Project Fighting Chance aligns with our Company's mission to give back to the communities where we work and live.

We value Project Fighting Chance's outstanding impact on the San Bernardino community, and we are happy to support this Tranquility Garden project monetarily, through our building expertise and also our industry relationships. We look forward to next steps and starting this important project in the near future.

Sincerely,

Ryan Aukerman

Executive Vice President
