

AWARD-WINNING PROJECT FIGHTING CHANCE BOXING FITNESS "AT PROMISE" AFTERSCHOOL

About

- Founded in 1999 Project Fighting Chance is recipient of numerous local, state and national awards utilizing boxing fitness and arts enrichment programs to promote childhood fitness, self-esteem, expression and coping disciplines to reduce childhood violence, aggression and trauma, **2020: California Nonprofit of The Year. 2023: SBCSS Children Deserve Success. 2023: National Parks & Recreation Community Champion. 9X National USA Boxing Champion. 2024: USA Boxing International Gold Medalist.** EXL/CAPS provider since 2015.

Staff

- Project Fighting Chance uses **best practices** in recruiting, interviewing and placement of a diverse and care connected staff selection to ensure students are selection hiring process with all site staff required to complete a background check and have demonstrated and proven interest in the care and well-being of school-aged youth.

Training

- Project Fighting Chance staff is trained to implement a custom designed boxing fitness circuit training complimented with the "I AM A CHAMPION" boxing enrichment curriculum to achieve both positive fitness and social-emotional outcomes. Staff must demonstrate fitness proficiency and curriculum administration along with classroom management, equipment sanitation and use, record-keeping and reporting.

On-Site

- Project Fighting Chance engages partnership **communications** from school administrators to site leads and staff ensuring effective planning, timelines and program implementation and oversight are met and maintained to achieve key ELOP goals and objectives for desired participation outcomes benefitting students.

Process

- From proposal submission to preparing on-site engagement with students and ELOP staff, Project Fighting Chance adheres to all **district requirements** and regulations for a seamless execution of contracted services. Knowledgeable and equipped we bring forth the champion level status that has made it an award-winning organization for over twenty-five years working closely with youth and communities.
